Mission

Our commitment to our residents and their families, is to provide a dignified, loving home environment that respects each individual and their needs. We provide 24-hour care in a home setting surrounded by beautiful desert with towering saguaros and cholla cactus as well as lush manicured lawns and nature garden areas for walks and daily activities. Hummingbirds, quail, rabbits and roadrunners enjoy residing on our two beautiful acres.

Security

The Casa provides 24 hour certified caregiving, monitored safety and alarm systems, with video cameras in all common areas for resident safety. All rooms have phone, television and computer hookups available.

Meals

Three nutritious home cooked meals are provided daily along with snacks throughout the day. The Casa has both a Library, Computer and Game Room, as well as a Living Room, Dining Room and Media Center. Daily activities and monthly outings are enjoyed by each resident according to individual needs.

Dining Room
