

The Community Care Services Program (CCSP) is a Medicaid waiver program that helps elderly and/or functionally impaired individuals live in their own homes or in assisted living or personal care facilities.

Financial Eligibility

SSI Category: Persons who receive Supplemental Security Income (SSI) and are eligible for medical assistance

Medical Assistance Only (MAO) Category: persons who do not receive cash benefits under the SSI program but may qualify for medical assistance under another Medicaid category. MAO participants may have to pay toward the cost of services.

Services Available

Adult Day Health: daytime care & supervision in an adult day center

Alternative Living Services: alternative residence (assisted living or personal care facilities) for persons unable to remain in their own homes

Emergency Response Services: in-home electronic support system for 2-way communication between isolated persons & a medical control center

Home-Delivered Services: skilled nursing services; physical, speech & occupational therapy; medical social services & home health aide assistance

Personal Support Services: assistance with meal preparation, hygiene, nutrition, light housekeeping & shopping; in-home respite provided by an aide

Out-of-Home Respite Care: out-of-home respite care in an approved facility
